RP delivered a piece of opened mail belonging to the above address and said he found the mail on the ground on Woodmoor Drive and Indian Summer Lane. I contacted the resident from the above address and he confirmed that he had placed a check in the envelope which was now missing and also another envelope containing a check. I contacted the Manager at Peoples Bank to insure that the account and the missing checks would be flagged. I also contacted EPSO and I handed the mail over to the deputy and assigned case number: 16-235 and took the mail back to the owner. During this time I received several phone calls about mail boxes that were open along Top O the Moor. One resident stated her husband checked the mailbox just after 22:00 hours the night before (box was closed) and when he left this morning the box was open. Another RP on Doewood Dr. states they found mail from an address on Doewood Dr. while walking their dog. I reviewed pictures of a game camera WPS has in the area and no suspects came near the mailboxes the camera was pointing at.					
1/7/2016	12:12:00 AM	Woodmoor Drive	Dennis	Suspicious Activity	Suspicious Vehicle
While turning onto Woodmoor Drive from Top of the Moor W, I noticed a vehicle with lights on stopped on the side of the road in front of 935 Woodmoor Drive. As I approached, VID 2536 pulled away and went onto Top of the Moor E. I followed the vehicle, notified 5W45 and when it started to make a U-turn in the middle of the road, I contacted the driver, PID 5194. I asked him why he was along the side of the road and he stated he just dropped his girlfriend off. I asked her name and it checked out in the address book. PID 5194 then left the area without incident.

RP, PID 5197 states her dog was attacked between 1 or 2 in the afternoon on 1/12/16 from the dog at the above address. She said that she was walking down Sloan Lane with her dog on a leash when the residents from the above address approached her with their dog on a leash. She said that the dog was not under control and was pulling hard on the leash. She said that the dog was suddenly off its leash and attacked her dog. She quickly grabbed her dog and took it home. She attempted to treat the dog's wounds but eventually took the dog to a veterinarian for proper care. I spoke with Witness #1, PID 5198 and Witness #2, PID 5199 on the phone. PID 5198 stated that she was at her house on her front porch and saw PID 5197 walking down the street with her dog on a leash. She saw the dog from the above address approach them with its owners. She looked away for a short time and heard a commotion and when she looked at what was going on she saw the two dogs fighting. She also said that the dog that belonged to the above address was straining on its leash like it was trying to get to PID 5197's dog. The second witness PID 5199 said that she also saw the dog and the owners from the above address approach PID 5197. The dog was on a leash but she also stated that it seemed like the dog was pulling on the leash to get at PID 5197's dog. She said suddenly the dog from the above address was off its leash and was attacking PID 5197's dog. Both the victim and witness stated that they have seen the dog off its property wondering the neighborhood many times. They also stated that many people in the neighborhood think this dog is aggressive and that they are scared of the dog. The resident from the above address told the victim after the incident that they listed the dog on a web site trying to find a new home for it.

RP, PID 4170 called to report possible harassment from the above address. RP states that the resident next door is playing music loud enough to rattle pictures on the adjoining wall and believes that it is being done on purpose. I responded and walked the area and could not hear any loud noises coming from the above house. I advised PID 4170 to contact the Woodmoor Park HOA and file a complaint and if the harassment continues to consider contacting EPSO for assistance.					
1/17/2016	10:05:00 PM	Will O'the Wisp Way	Justin	Criminal Activity	Attempted Burglary
PID 5203 called and reported an attempted Burglary at the above address. I arrived and met with PID 5203, grandson of the owner and PID 5204, girlfriend. I was led to the entry door into the house from the garage where I found damage to the door handle and the door and appears that the door and handle was struck with a fire extinguisher from the garage. There are no other entry points into the garage other than the main automatic door and no damage was found on the garage door that would that would indicate forced entry. I asked if the door had been left open and both PID's responded repeatedly with "No". PID 5203 suggested that entry was made by using a "Code scanner". I searched all other points of entry to the house and only found footprints belonging to the RP around the house at the windows and doors. I showed PID 5203 on how to disable the opener and manually lock the automatic garage door. I instructed PID 5203 to notify his grandfather and the EPSO regarding the incident. I advised PID 5203 that I would be following up with the homeowner on the following day.					
Follow up: 01/18/16, 15:30hrs, I called the homeowner which is out of town. Both he, myself, and 5W47 is very suspicious that the damage caused and circumstances presented are from an attempted burglary.

RP, PID 5205 states the next door neighbor at the above address was again playing music or the TV loud enough to rattle the pictures on the wall and creating a disturbance (see report from 01/17/16). I responded and contacted the RP. While I was there, the noise could be heard thru the wall. I then made it appear as if I was leaving by opening and closing the front door. The volume was then turned up and I could verify the complaint. The noise was loud enough to move pictures on the adjoining wall. RP was again advised that a complaint should be filed with their HOA and escalated to EPSO.
