

Candidate forum, Lewis-Palmer SD-38

The Liberty Education Action Fund (LEAF) is hosting a candidate forum at The Barn at Woodmoor on Tuesday October 17 at 7pm and cordially invites you to attend.

Paul Lundeen, our elected representative to the Colorado State Legislature and former chair of the State Board of Education, will moderate.

The format is simple: each candidate will be given a few minutes to make a statement and then we will open the floor to questions from the public. The entire event should last no longer than 1 -1 112 hours.

Parents with children in district schools are encouraged to come but, to be honest, as property taxpayers and citizens, we all have an interest in school board elections.

Hope to see you here! Even if you can't attend, please forward to anyone you know who might be interested. The future of the school district is our children's future.
