From 01/01/18 To 01/31/18

Date	Arrive	Location:	OfficerID:	Category	Nature
1/1/2018	10:48:00 AM	New London Road	Chad	Criminal Activity	Trespassing
<p>RP, PID 5579 called and stated that a short term rental guest at the above address was parked behind the house and when the vehicle left, it backed out across his property and used part of his driveway. He also said the fire pit located under the deck was still smoldering. Once on scene, the RP showed me video of the vehicle backing out across his property. I advised him to forward that information to the WIA. He also stated that they were noisy the previous night and I advised the RP to contact us immediately to verify the complaint. While we were talking, guests of the house exited the back sliding door and sat in chairs on the back patio. I attempted to make contact with the home owner, no one answered the front door. I walked around back and contacted the guests. I warned them about parking the vehicle in the yard, driving across other peoples property, and the dangers of placing the fire pit under a wood deck. I also asked them to completely extinguish the fire pit before they leave. I asked the guests if they were advised by the homeowner that Woodmoor was a covenant controlled area, and they had to abide by the covenants. They said that they were not advised about the covenants. I asked if the homeowner was home, and they said that she was staying in the mountains.</p>					
1/1/2018	10:59:00 PM	Flaming Tree Way	Karl	Animal Complaint	Barking Dog - Founded
<p>RP reports barking dog at the above address. I responded and staged at the intersection of Flaming Tree Way and Top of the Moor Drive East and could hear a loud, non-stop barking from the above address. I observed a large Golden Lab in the driveway barking non-stop. Since the dog had access to the yard, I moved down the street to fill out the violation notice to mail. After completing the notice I noticed the dog had stopped barking so I returned and contacted the resident and hand delivered the violation notice.</p>

RP, at the above address, reports that he and his wife were awakened by the sound of eggs hitting their residence. When they came outside on the deck, they found egg shells all over. The neighbor whose residence was also 'egged' stated that she saw two white males jump over the fence and down the embankment and run off heading southwest. Upon checking other units it was found that 1035 Walters Point and 968 Burning Bush Point had also been 'egged'. I notified 1035 and attempted to notify 968 but no one came to the door. Advised parties that WPS would increase patrols in the area for a while.					
1/10/2018	12:25:00 AM	Woodmoor Center	Karl	Criminal Activity	Trespassing
While checking the above location, I found a car parked in the second row in front of the library. Upon contacting the driver I found that he was homeless and parked for the night and was cooking dinner inside his vehicle at that time. I advised him that he could not park there overnight and would have to leave. I allowed him some time for his stove to cool before he had to leave. He left the area approximately 30 minutes later without incident.					
1/10/2018	2:33:00 AM	South Park Drive	Dennis	Suspicious Activity	Suspicious Vehicle
RP states someone rang her door bell and was parked at the end of her driveway. When I arrived I found an EPSO vehicle and a MPD vehicle at the bottom of her driveway.
