(Tri-Lakes United Methodist Church)

One of the most destructive fires in Colorado history started December 30th, 2021. This fire spread rapidly due to extreme winds and dry fuel. The Marshall fire is estimated to have claimed over 1000 structures. Entire neighborhoods were lost.

Wildfire is **WHEN** not **IF**.

Local fire and forestry authorities are hosting a town hall to provide information for how you can protect your home and property from a wildfire event. All residents of the greater Tri-Lakes area are encouraged to attend. Remote attendance:
